Cluster allocation stability

Feasible runs only; each panel has its own vertical scale

3. Neyman proportional — Eastern Cape

3. Neyman proportional — Free State

3. Neyman proportional — Gauteng

3. Neyman proportional — KwaZulu−Natal

3. Neyman proportional — Limpopo

3. Neyman proportional — Mpumalanga

3. Neyman proportional — North West

3. Neyman proportional — Northern Cape

3. Neyman proportional — Western Cape
